# SPECIAL THANKS

It was written by the Dark Ones ...

Those are the fine creative folks I want to give thanks to for the production of this Book and the Special Edition of Sam Raimi's classic film Evil Dead 2: Dead by Dawn.

Anchor Bay's Tom Bambard has taken really good care of me and pulled out all the stops to make this special edition worthy of the greatest fans on Earth. My friend and ultimate fan, Michael Felsher introduced me to Anchor Bay with my eternal thanks.

I want to give a special thanks to Patrick Reese for his amazing technical and creative support and generous friendship. Without Pat's help, I would have been lost in computerland on both of Anchor Bay's "Book of the Dead" projects. Thanks again, Pat. The last big thanks goes to all the fans I've met on my journey. As always I want to encourage you to follow your dreams and share them with the friends you make along the way.

Your pal,

Tom Sullivan
